Turtle Creek Valley MH/MR, Inc.

12th Annual Golf Benefit August 17, 2010

Turtle Creek Valley MH/MR, Inc. is a private non-profit agency, established in 1970. We provide services to persons who wish to lead a drug- and alcohol-free lifestyle and/or to reduce potential harm associated with substance abuse; a wide range of day and vocational supports to individuals with developmental disabilities; supportive services in developing life skills in the areas of stress management, conflict resolution and family relationships; and recovery-focused services to individuals who are having mental health difficulties.

The money raised from last year's golf outing was used towards providing after-school programming for underprivileged children living in Braddock, Rankin and North Braddock. Specifically, each \$1000 sponsorship enabled us to provide the children with 3 computer workstations, an educational field trip to the Pittsburgh Zoo, Carnegie Science Center or Pittsburgh Voyager, memberships to the boy and girl scouts OR a hot nutritious meal for 20-25 participants for 2 weeks. Your donations will help to affect the families hit the hardest with the economic crisis.

The After-School Program enables the participating children the opportunity to look toward a brighter future.
