TCV MH/MR, Inc. Super Special Models

E. Pittsburgh, PA - The second annual TCV MH/MR, Inc. Community Link Fashion Show was held at St. Robert Bellarmine Catholic Church in East McKeesport on Saturday, October 7, 2006. There were 30 models from the agency's day and residential programs, who walked the runway dressed in clothing from Marshall's Department Store at the Waterfront.

The event started at noon with a lunch prepared by Community Link staff with the help of Frank Schockling. Members of the St. Robert Bellarmine's youth group served the meal to 141 family members, friends of the models and St. Robert Bellarmine parishioners.

The fashion show was planned primarily by Denice Scherrbaum and emceed by Tina Wimbs, Site Supervisor of the TCV MH/MR, Inc's New Beginnings Adult Training Facility. The models were truly the highlight of the afternoon. Each added their own special flair to the outfit they presented. They received a well deserved standing ovation for an excellent presentation.

Special thanks to local business supporters and and Ryan's Auto Glass who's donations helped make the Chinese Auction possible. Many people contributed positively to the event, which provided the models with a wonderful feeling of accomplishment, success and satisfaction. They truly enjoyed their roles as Super Models!
