Turtle Creek Valley MH/MR, Inc.

*Providing Mental Health, Mental Retardation, and Drug and Alcohol Services*

October 29, 2009

We are excited to announce the relocation of TCV MH/MR, Inc.'s Homestead Adult Outpatient site to:

1800 West Street  
4<sup>th</sup> Floor  
Homestead, PA 15120  
(The old Homestead Hospital)

on November 19, 2009

We will have a newly designed outpatient space that will increase the size of our waiting area, therapy and Decision Support Center offices and group room. The new space will also offer a quieter, more relaxed atmosphere.

There are many benefits to relocating to the new building, including: expanded parking areas, a medical lab on the first floor of the building and a bus stop directly across the street.

We invite you to share in an open house on November 10, 2009 to see the new space. We look forward to allowing this move to serve as an opportunity to better meet the needs of the community.

Sincerely,

The Outpatient Staff at TCV MH/MR, Inc.
