### **TCV MH/MR, Inc. RESOURCE FAIR WAS A SUCCESS!!**

On Wednesday, February 11, 2009, TCV MH/MR, Inc.'s Employment Services Department sponsored their first annual Resource Fair at the Westinghouse Human Services Center in Turtle Creek. Twenty-three organizations participated and shared information about transportation, benefits counseling, training programs, volunteer opportunities and much more! In addition, the PA State Civil Service Commission conducted a workshop on how to apply for state jobs.

The purpose of the fair was to help the community learn about employment related resources that can assist with getting a job or volunteer opportunity. It was also a great opportunity for organizations to network with each other to learn about services available within each of the organizations. TCV MH/MR, Inc. is looking forward to hosting the second annual resource fair in the future! If you would like to participate in the next resource fair please contact Amy Sljva-Blystone at (412) 824-8510 ext. 692
