Outpatient Family Services for Infants, Toddlers & Adolescents

Turtle Creek Valley MH/MR, Inc. now offers outpatient family therapy for infants and toddlers, in addition to their comprehensive mental health treatment for children and adolescents up to 18 years old. The outpatient treatment team consists of licensed professional counselors, licensed clinical social workers, and psychiatrists with specialized training in the areas of child development and treatment. TCV MH/MR, Inc. has recognized the needs of the community and has developed multiple service locations to assist families in getting counseling closer to home. The newest location includes an office in the Rankin Christian Center to better serve families in the Rankin, Braddock, and Swissvale neighborhoods. Other locations include the Westinghouse Human Services Building, 519 Penn Avenue, Turtle Creek and Steel Valley COG 1705 Maple Avenue, B1, Homestead.
